9. If you have comments or suggestions about the Conference overall, feel free to express them now:

- Thanks to organizers / awesome job = 24
- Do it again next year = 2
- Presentations and all materials should be put on CDs
- The wireless username and password for internet should have been better publicized
- FOSS has a philosophy of being open => the events should be FREE for all!
- The attendees aren't all "guys" as the program suggested more than once...
- Could have transportation at fix time from city to UNIL
- Give 40 minutes session instead of 30
- Have social events for spouses during the conference

FOSS4G COMMUNITIES JOINT CONFERENCE

September 12-15th 2006 • Lausanne • Switzerland
