

Review Form Response

Review FOSS4G Academic Track Submission

This form is for reviewing a FOSS4G Academic Track Submission.

Remarks to the editors *

This paper is very well written, but still needs some very minor revisions for language. I have made notes in the attached file.

Remarks to the author

Very interesting topic. Well written. It requires some minor language revisions. Please have it reviewed by a native English speaker.

Recommendation *

- Strong Accept and recommendation for inclusion in Transactions in GIS
- Strong Accept
- Weak Accept
- Reject
