Review Form Response

Review FOSS4G Academic Track Submission

This form is for reviewing a FOSS4G Academic Track Submission.

Remarks to the editors *

> This is an interesting story on the development of the Bolivian SDI, worth of reading. Language issues, but should largely be resolved if authors take heart in the attached reviewer version.

Remarks to the author

> Interesting paper and project. WIrth to discuss at FOSS4G. Pls see the attached version of your paper for editorial suggestions. Your English is just too Spanish.
