

The OSGeo Conference Committee

24th May 2012

Dear Committee,

On behalf of Newgrove, I am pleased to support the UK Organising Committee's bid to host the Free and Open Source Software for Geospatial (FOSS4G) Conference in 2013 in Nottingham , UK.

Newgrove have contributed to and been using open source spatial code and applications for over 10 years and would welcome the opportunity to share our experiences and exchange ideas with a global audience.

We look forward to actively participating in the FOSS4G Conference and encouraging the open source geospatial community to join us in Nottingham for FOSS4G 2013.

Yours sincerely,

Jonathan Boylan
Director
