

## FOSS4G Geohack

### Template for Challenges

Title of Challenge

Description

*Include a clear description of the problem or the data. The description does not have to be long, but the more specific the better. One challenge can be "chunked" into smaller pieces or subchallenges as appropriate. This will be an HTML field, so it can also have hyperlinks, embedded images, video, etc.*

*If you are asking for a solution with specific parameters or requirements, please list them here.*

Category *Choose the most descriptive category.*

Software

Hardware

Visualization

Science

Other *(please describe)*

Sponsoring Organization(s)

Name

URL

Author(s)

Name

Email

*If the publicly-listed POC should be different than the author listed here, please note below.*

Data Resources(s)

Title

URL

Description of available data, format and information about how to access/use it

Please return completed forms and forward any related questions to:
