University of Girona support for FOSS4G 2010 Barcelona Conference

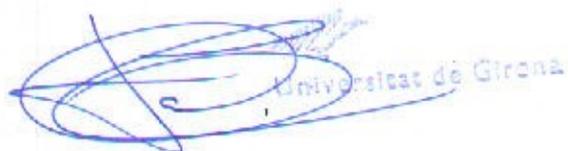

I am very pleased to present this letter of support on behalf of the University of Girona for Barcelona's bid to host the FOSS4G Barcelona Conference.

From the University of Girona believes in most of initiatives promoting open alternatives to student and the rest of society, in this case an Initiative addressing to Free / Open Source Software community, which enjoys perfect health in Catalonia.

As well as you may already be aware, Barcelona is a wonderful city that has a highly experience hosting well-known events. The city has a developed conferencing, technological and tourist infrastructures which will contribute to a successful meeting of FOSS4G.

The University of Girona is looking forward to the FOSS4G 2010 will be host in Barcelona.

Kind regards,

Universitat de Girona
